The trustees will report on this year's major projects, finances, as well as introduce the upcoming decisions that will need to be made for the LITW homeowners.

The new business items to discuss include the

This is also your opportunity to volunteer to be a trustee for next year. See you there.

## Construction and Signs

As a courteous reminder to everyone in our neighborhood, if you are planning an outdoor construction project, please notify the Trustees and your neighbors. The association bylaws require a review prior to the project beginning.

Also, please remove any signs from your yard as our bylaws also prohibit these items.

## NOTICE 25 MPH

The speed limit for most of our neighborhood is 25 miles per hour. Please obey the posted signs on our streets to help keep our children, runners, dog walkers, and other motorists safe.

Also, watch out for kids at the bus stop and for the school busses.

## Social Committee Chair needed

LITW is searching for someone to take over the position of Social Committee Chair. This is a great opportunity to help plan events that bring our neighborhood together.

Please contact Eric Schmidt if you are interested.

## LITW Association is on Facebook

The LITW association does have a closed group Facebook page that is available to join. There are administrators of the page who will send invitations to join and who can post and monitor postings to this page.

With so many neighbors using Facebook, this is a good way to stay updated on events, dates, etc.
