A message from the President

By Eric Schmidt

The cover is off the pool, the garden beds are freshly mulched, and the neighborhood kids are now fully immersed in the first days of summer.

Lake in the Woods is really looking good right now. I want to extend a big thank you to all who helped with our clean-up day efforts on May 10th. Dave organized a fantastic day and the weather cooperated. With all the hands working together, the burden of the work was certainly lightened.

But, we are just beginning to shake off all of the winter and "still winter" doldrums. The best way to do that is to get out and enjoy our gorgeous setting! Take a walk around the lake, enjoy the green leaves of summer and the warm sunshine.

The trustees are working diligently to make sure that the overall health of our community

Successful cleanup day!

By LITW Trustees

Thank you to everyone who participated in the Spring Cleanup Day on May 10th. The weather held out for us and all of the major projects were completed thanks to the hard work of the LITW residents.

A huge thank you goes out to John Wheeler as he played a major role in making sure we had all the material and vehicles available to make the work a little easier.

remains intact. The lake dam was inspected, we've planned a landscaping project and there is no lack of daily maintenance required for the pool, but all of our LITW volunteers are putting in extra hours for all of you. And I encourage everyone to please consider joining the board, or coming to one of our upcoming meetings at the pavilion. We will be meeting on June 9th at 7:30 pm.

Enjoy the weather!

It also seems that one day was not enough to accomplish everything that the LITW residents wanted to see get accomplished, and on May 17th a large project was completed at the 306 entrance of Lake in the Woods to clear and clean up an area of brambles, brush, stumps and grasses. Thank you to all who accomplished this task as well.

If you didn't get a chance to participate, there is always next year as well as the Fall clean-up day. Our residents make our neighborhood great!

Garage Sale June 7th!

Our garage sale date is set for June 7th. The sale begins at 9 am and concludes at 4 pm.

Special thanks to our coordinator, Barb Marchant for making sure that we have signs, balloons, advertising, and that all money is collected to help us offset the cost of this event.

Good luck during your sales!

LITW Dues

If you have not paid your dues, please get your check in to the Association ASAP!

NOTICE 25 MPH

The speed limit for most of our neighborhood is 25 miles per hour. Please obey the posted signs on our streets to help keep our children, runners, dog walkers, and other motorists safe.

Now that the pool is open and the kids are out of school, there will be more people on the roads so please, obey the posted speed limits.

Landscape Project

A landscape construction and beautification project is scheduled to begin in June in the field on the south side of the 306 entrance.

The addition of a mound, some shrubs and trees will provide beautiful scenery as well as a natural screen.

There will be trucks and equipment at the 306 entrance on Lake in the Woods during the construction but the trustees expect any disturbance to be minimal.

We look forward to the project being completed and we know it will add to the already beautiful surroundings we enjoy every day.

Swim Team Summer Schedule

Come join the fun and cheer on the LITW Swim Team this summer. All home meets start at 6:30 PM.

Students, if you need service hours, we have lots of volunteer opportunities. If you have any questions, please contact Trish Owen, 543-4105 or trish.jimowen@gmail.com.

LITW Guppies

Team Guppies is a "pre-swim team" for children age 3 to 7. The program is geared for our young swimmers who are not yet ready for the LITW swim team. There is no skill required. The Guppies usually practice three times a week for 15 minutes and "swim" just before home meets hosted at our pool. If you have a child who is interested, please contact Paige Owen, powennos@gmail.com or 440-622-2767.

Bainbridge Invitational 25th Anniversary

July 12th will be the 25th BI. This is an amazing event for our community and for all the swimmers in our area! It is a great time to showcase the talents of our swimmers and to enjoy a great day with our neighbors. All are welcome to come and cheer on our team to victory on Saturday July 12th.

Pavilion Reservations

Are you looking for a great place to hold your next get together? The LITW Pavilion is available for use by LITW residents and their guests. To reserve the pavilion, please call Elizabeth Spencer.
